### PROPERTY RIGHTS

Section 1. Owners' Easements of Enjoyment. Every Owner shall have a right and easement of enjoyment in and to the Common Area which shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

(a) the right of the Association to charge reasonable admission and other fees for the use of any recreational facilities situated upon the Common Area and to create and enforce reasonable rules and regulations related to the use and enjoyment of the Common Area and any recreational facilities situated thereon;

(b) the right of the Association to suspend the voting rights and right to use of the recreational facilities by an Owner for any period during which any assessment against his Lot remains unpaid or for violations of rules and regulations created by the Association governing the Common Area and the recreational facilities thereon;

(c) the right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the members, provided, however, no such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer signed by two-thirds (2/3) of each class of members has been recorded.

Section 2. Delegation of Use. Any Owner may delegate, in accordance with the By-Laws, his right of enjoyment to the Common Area and facilities to the members of his family, his tenants, or

contract purchasers who reside on the property.

Section 3. Grant and Reservation of Easements by Association.

The Board of Directors of the Association shall have the authority to grant any easements over, across, under and through the Common Area as it deems necessary or desirable in its sole and absolute discretion, including, without limitation, any and all utility easements necessary for service to the Property. Declarant, for and on behalf of the Association, hereby expressly reserves an easement for the benefit of the Association, over, across, under and through any Lot which is defined as one of these Lake Lots in Article VI, Section (ee) hereof, determined in the reasonable discretion of the Association as may be necessary to allow for the maintenance and repair by the Association of the lake and any improvements in the Common Area. Section 4. Insurance.

The Board of Directors of the Association shall cause the Association to maintain such general liability and hazard insurance policies covering the Common Area as shall be deemed necessary or desirable in the sole discretion of the Board of Directors of the Association.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS

Section 1. Every Owner of a Lot which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

Section 2. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners, with the exception of the Declarant, and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they determine, but in no event shall more

than one vote be cast with respect to any Lot.

Class B. The Class B member(s) shall be the Declarant and shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) when the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership, or

(b) on September 15, 1996.

Notwithstanding the foregoing to the contrary, in the event additional land is annexed by the Declarant pursuant to Article VII, Section 4(b) hereof, the Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) when the total votes outstanding in the Class A membership, including both original Owners and Owners of any lots on any land annexed by Declarant, equal the votes outstanding in the Class B membership, or

(b) the date which is three (3) years after the annexation of any additional land to the Property as evidenced by the recording date of an amendment to this Declaration reflecting such annexation.

Section 3. In the event additional land is annexed by the Declarant pursuant to Article VII, Section 4(b) hereof, the total votes outstanding in the Association shall automatically increase based upon the number of lots contained in any additional land annexed pursuant to the terms hereof. Nothing contained herein shall obligate the Declarant to develop or annex any such additional land.

#### ARTICLE IV

##### COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance

of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in the title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Property and for the improvement and maintenance of the Common Area.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Two Hundred and Fifty Dollars (\$250.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than 10% above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above 10% by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 and 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meetings. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto.

The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of nine (9) percent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

#### ARTICLE V

##### ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to the Board of Directors of the Association or its designee (as hereinafter provided) by certified mail, and such plans and specifications are approved in writing as to harmony of external design and location in relation to surrounding structures

and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

#### ARTICLE VI

(iii) No Structure, fences, storage facilities, wood piles, garbage cans, or any other objects which would affect the aesthetics of the lake(s) shall be built or placed upon any of the Lake Lots without the prior written consent of the Board of Directors of the Association, which consent shall be granted or withheld in the sole and absolute discretion of the Board of Directors of the Association. The Association shall have the right to enforce the foregoing restrictions, at law or in equity, and failure by the Association to enforce the foregoing restrictions shall in no event be deemed a waiver of the right to do so thereafter.

(iv) Declarant shall have no duty or obligation whatsoever to carry any form of hazard or liability insurance with respect to the Common Areas, the improvements to the Common Area, the lake(s) located on such Common Area, or the Lake Lots. Each Owner of any of the Lake Lots shall be responsible for carrying such fire and extended coverage and general liability insurance as such Owner may deem necessary or desirable, giving due regard for the fact that a portion of any such Lake Lot lies within or adjacent to the bounds of any of the lake(s). Neither the Declarant, the Association, nor any other Owner of any of the Lake Lots shall ever have any duty, liability, or obligation to any
